I. V. O

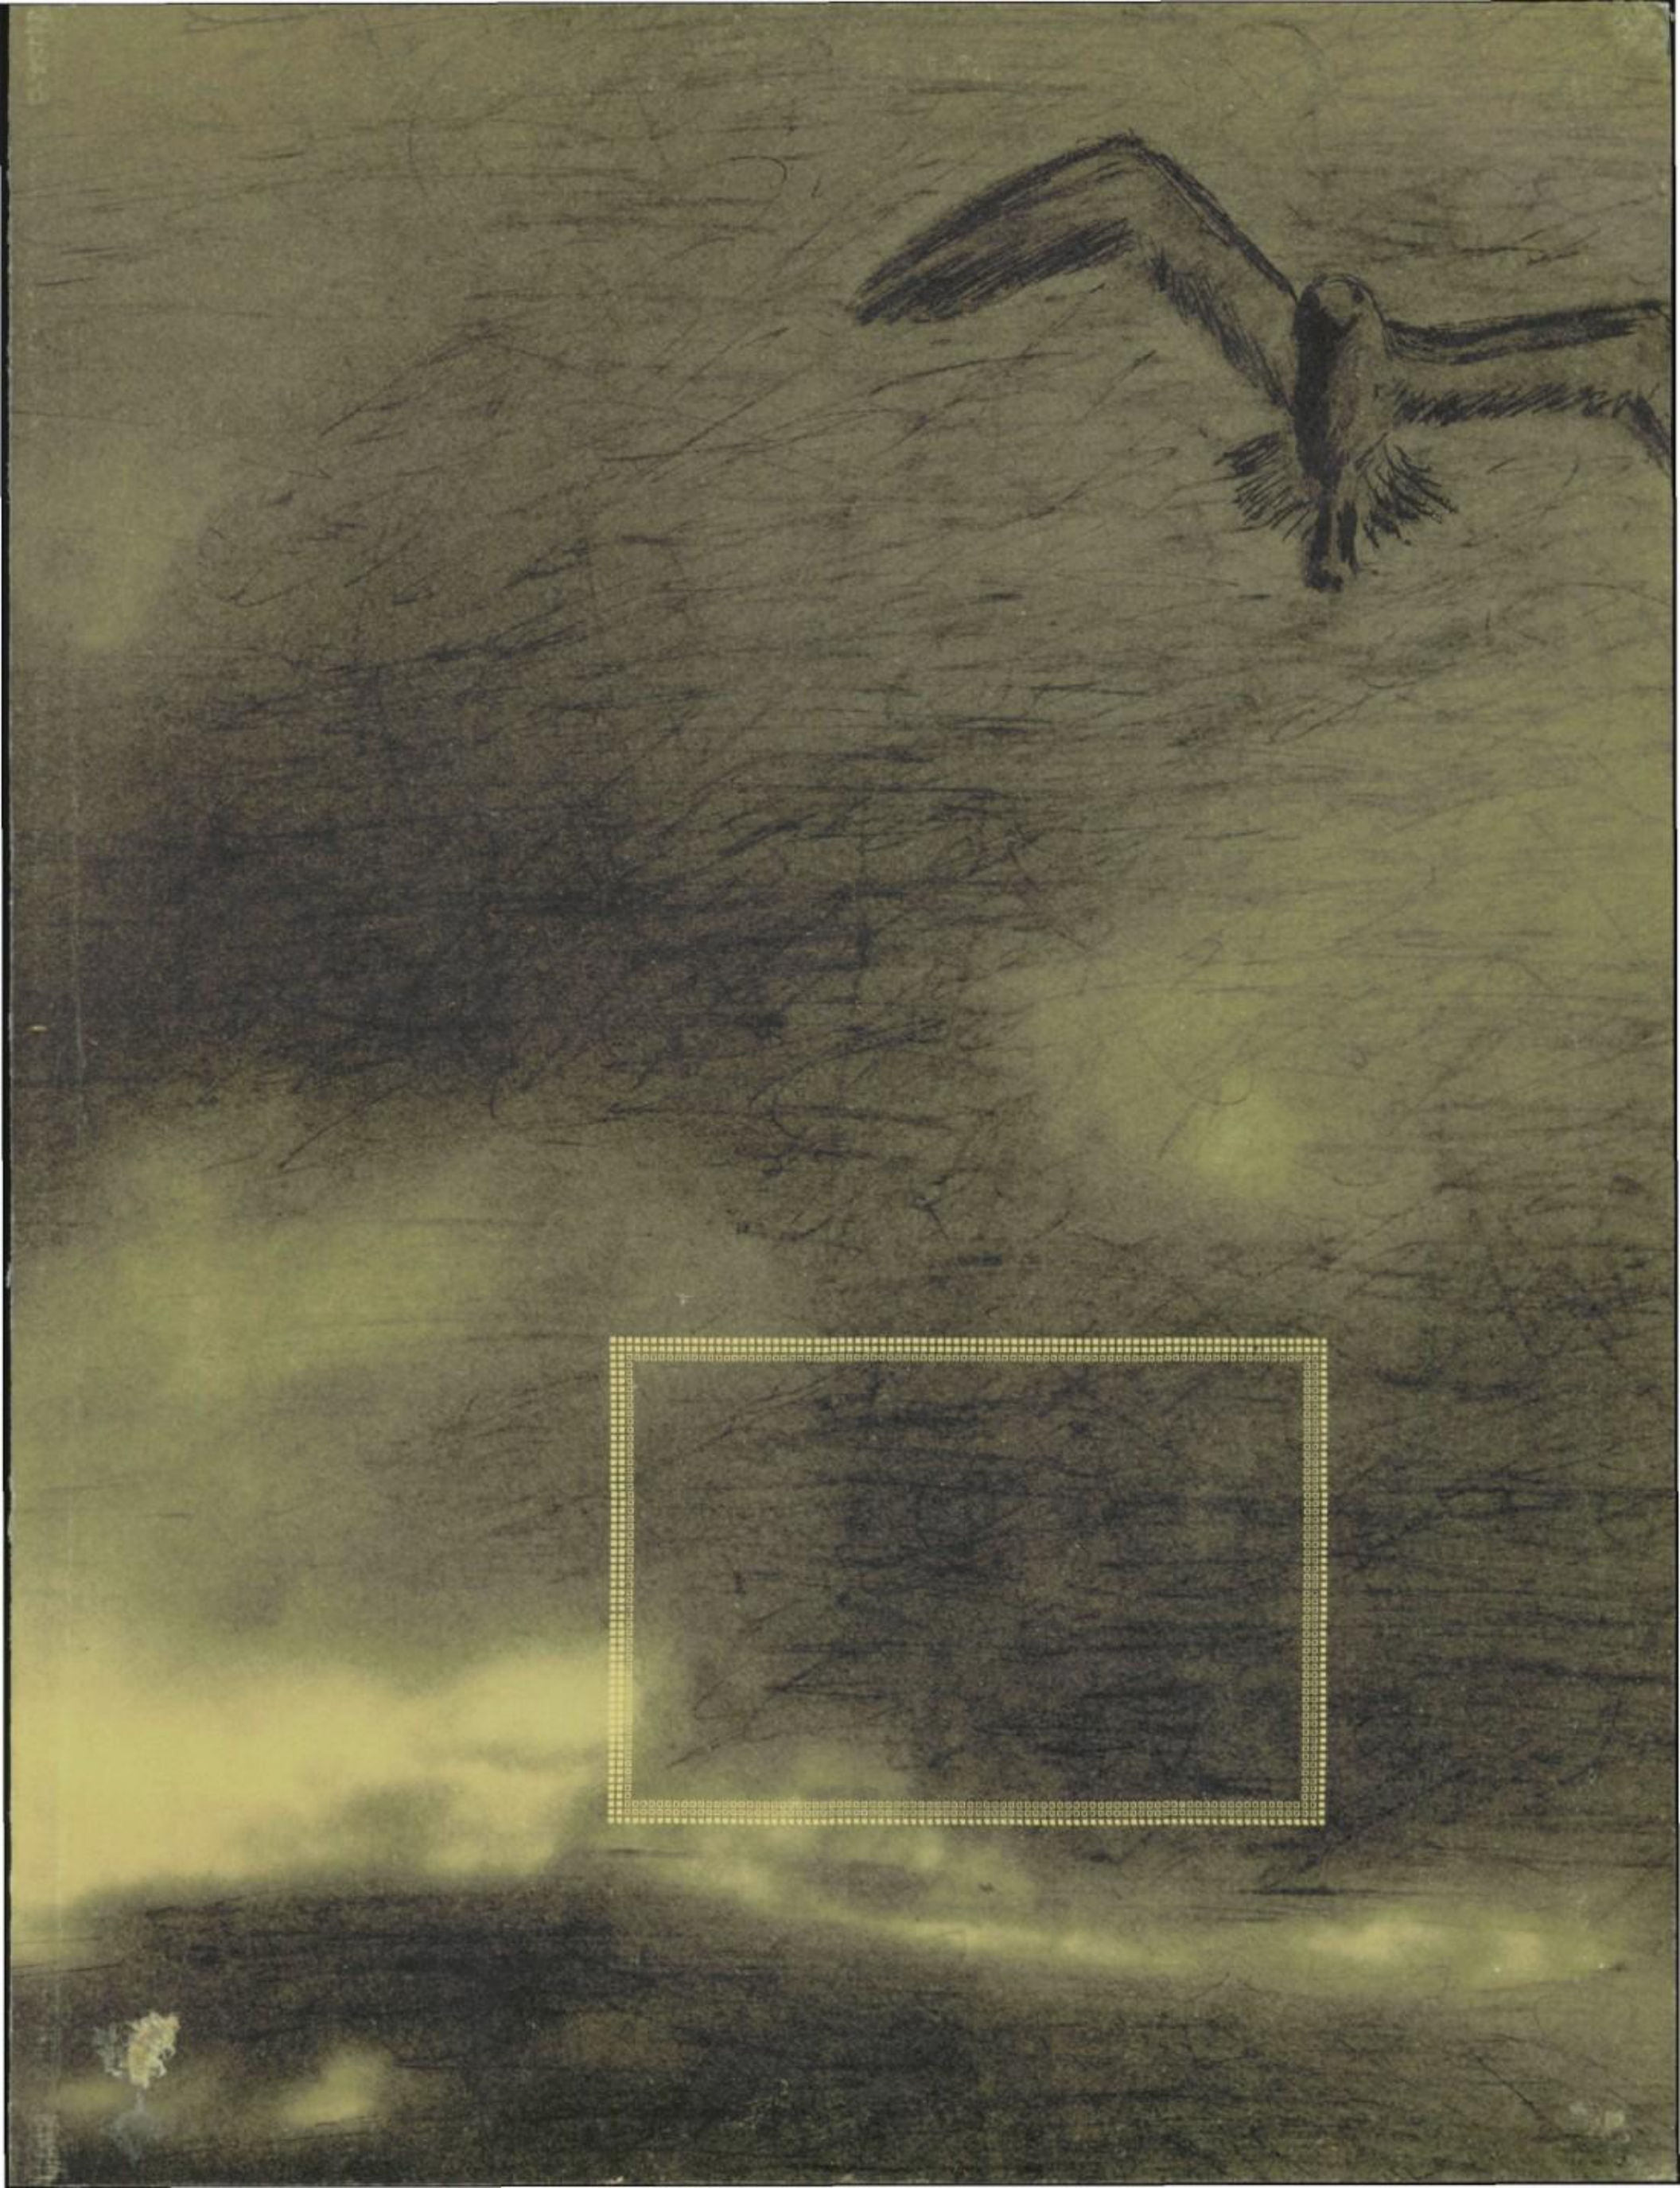

As I sit in my corner
Of the world

I watch my life go by
Step by step

Forever changing
And yet still the same

Sometimes an illusion
But always a reality

Sometimes An Illusion

Alta Loma High School
8880 Baseline Road
Rancho Cucamonga, CA 91701
(Alta Loma - Cucamonga - Etiwanda)

VOLUME SIXTEEN

t's beautiful to know you

*Of all the faces in the crowd
A few will be remembered and allowed
To stay in our minds for a very long while
Because of an expression or special smile.*

*Maybe it's a lonely face
Or one that's aloof
Which holds our interest
While under this roof.*

*Then, haunts us for years
Or even a lifetime
With brief recollections of that certain look
A cover of what's inside - like a book.*

*These wonderful faces, the beautiful or plain;
The lonely or sad; the contented or restless;
The loving or mad
Are the ones we know and see every day.
That's why we care what they show; what they say.*

*Whomever they are, these faces we know
We wish them success wherever they go.
Precious moments time never erases
Like memories and recalling those wonderful faces.*

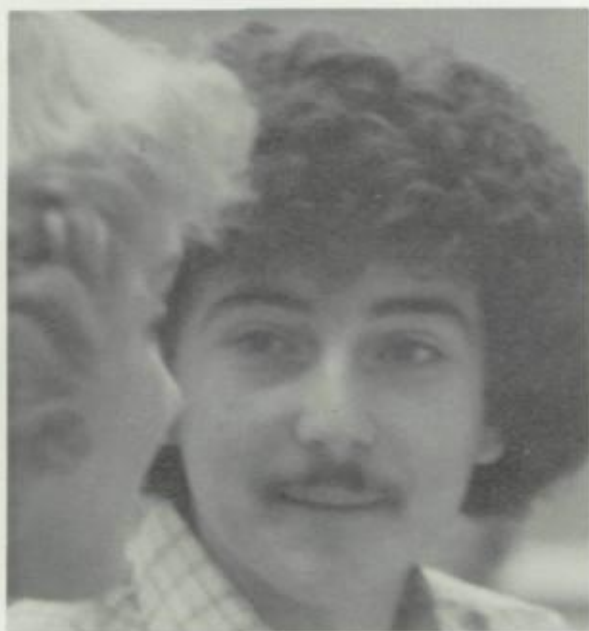

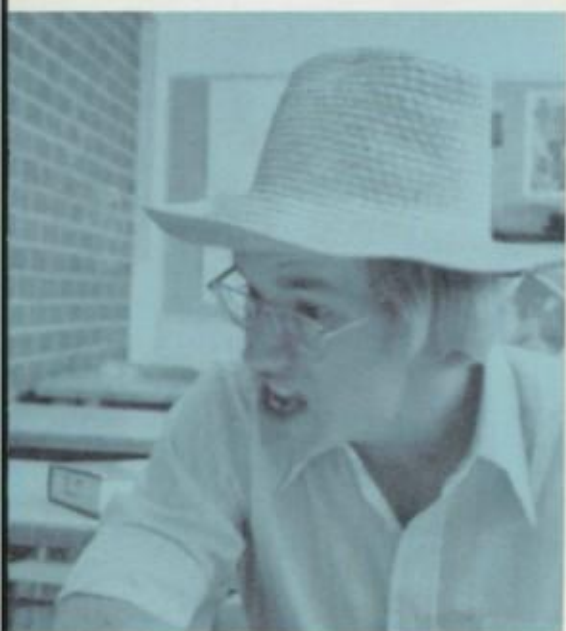

Leslie and Colleen Riggs

o share experiences

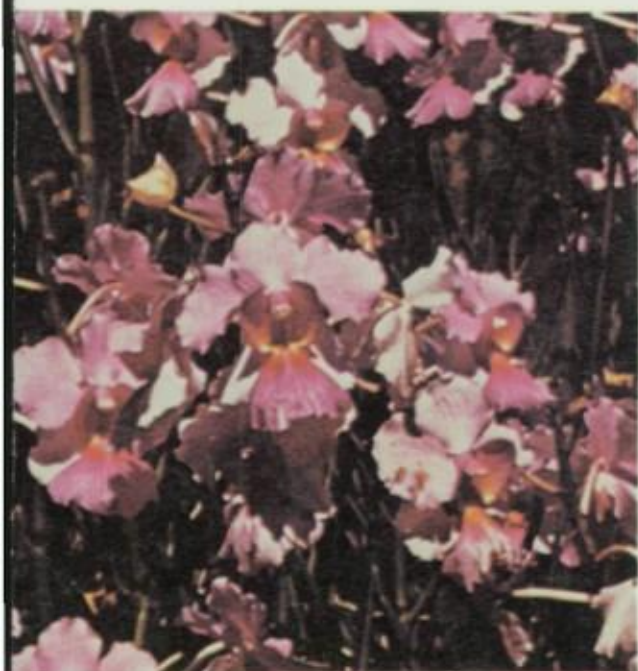

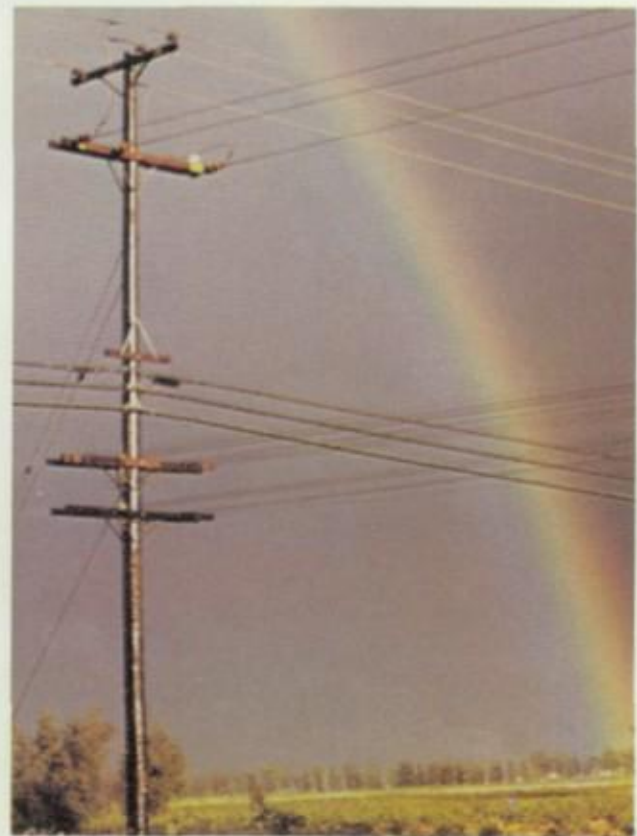

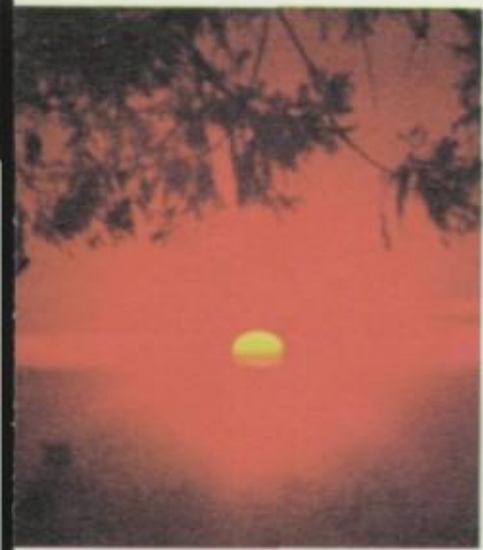

*S*ecrets and *L*ove

*There's so much beauty
to enjoy . . .*

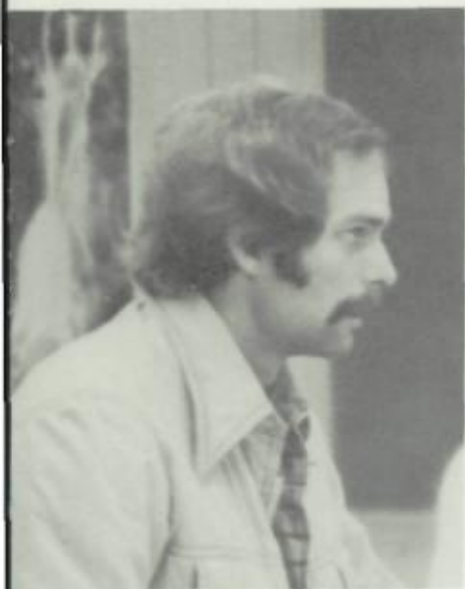

Like the beginning and ending of each day.

Serious times

Laughter and Fun.

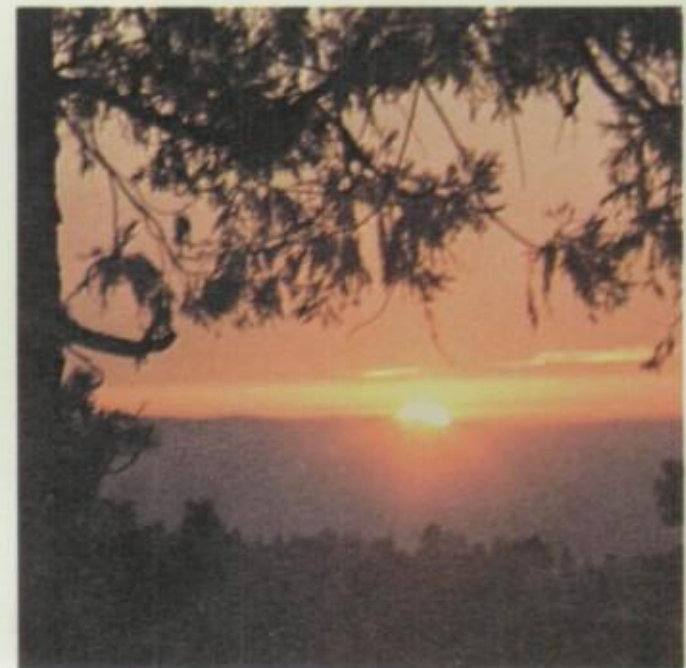

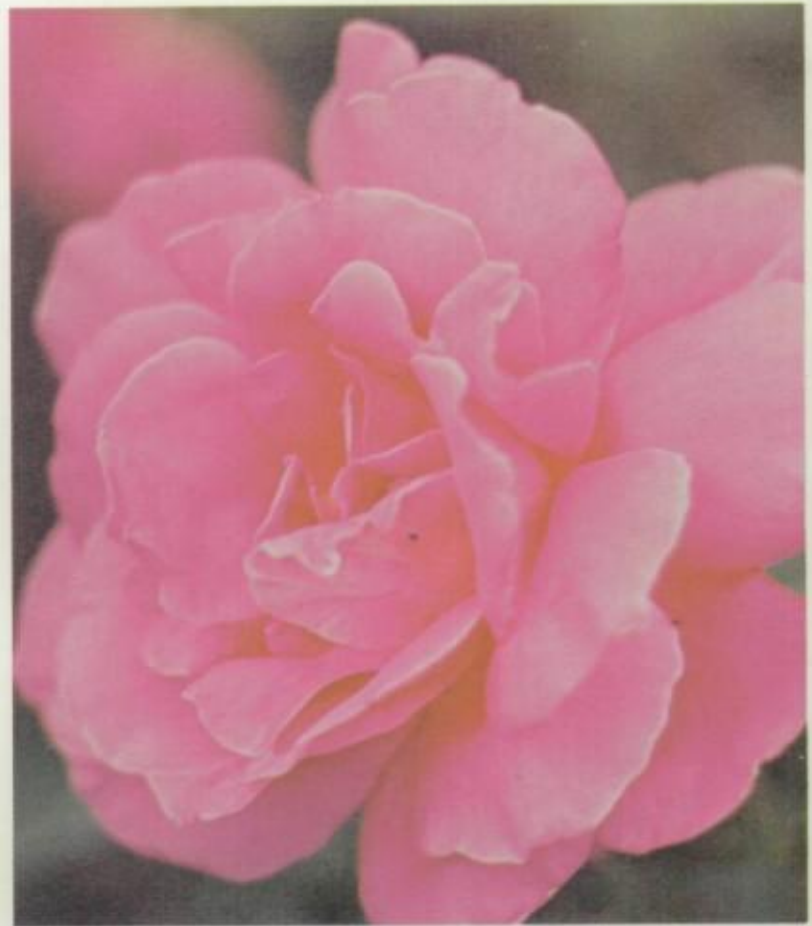

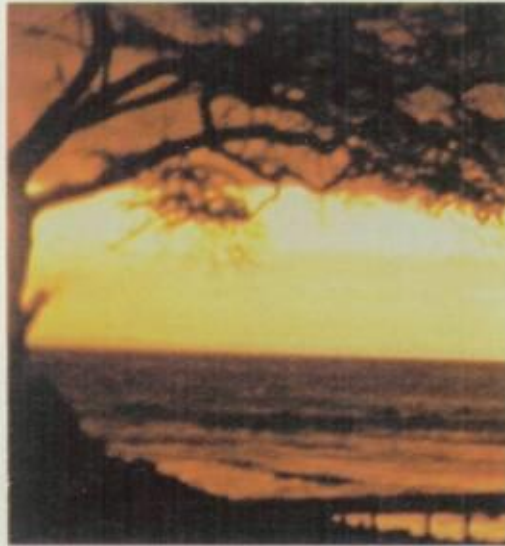

*Think awhile
and dream of
what you want to become.
We may only pass
this way once
This time is ours,
to think,
to dream,
to become.*

Debbie Bray

I watch my life go by 7

Romance

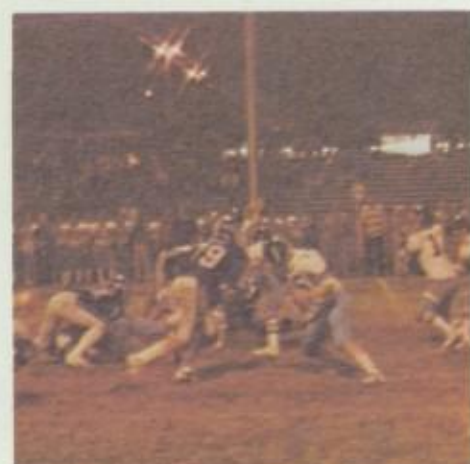

ances and . . .

*All hail to Alta Loma High,
Your colors blue and white
Our loyalty to you our school,
Shines forth a silvery light.
And near or far,
Where e'er we are
Our stalwart banners wave,
Tradition true
We shall remain,
THE ALTA LOMA BRAVES*

When we reflect back,
we 'll remember and
appreciate this special
time in our lives

*I long to be amidst the wild flowers that grow at the foot
of that lovely hill*

*I long to look at the blue sky while in the vast and green meadow
I am lying still*

I long to hear the birds singing as I wake in the morn

*I long to sit under the shade of the trees and with my thoughts
be all alone*

*I long to feel the cool water of the flowing streams on a hot
summer day*

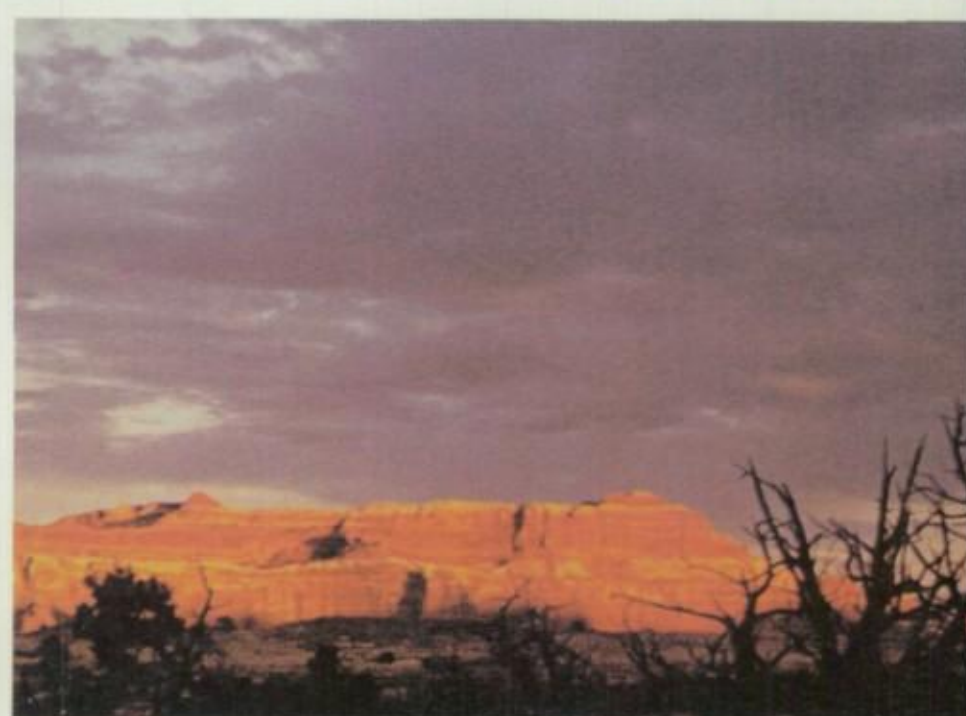

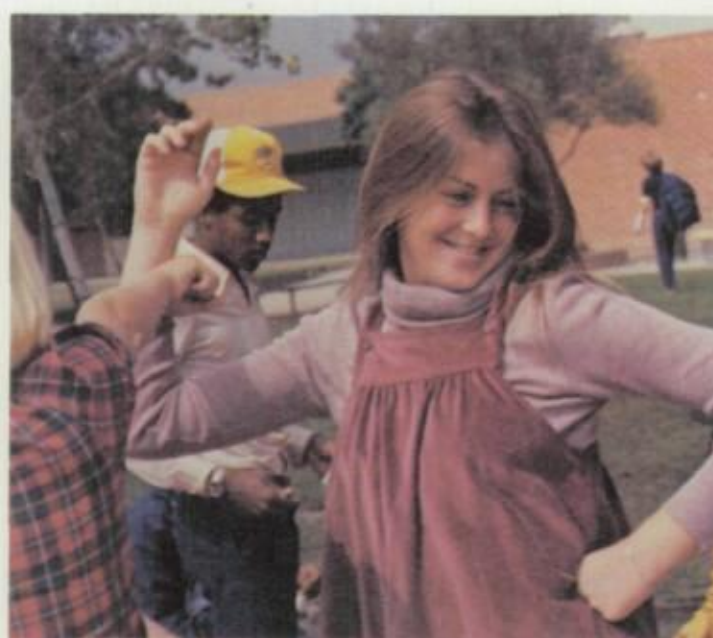

But most of all,

*I long for the companionship of those friends which are so far
away*

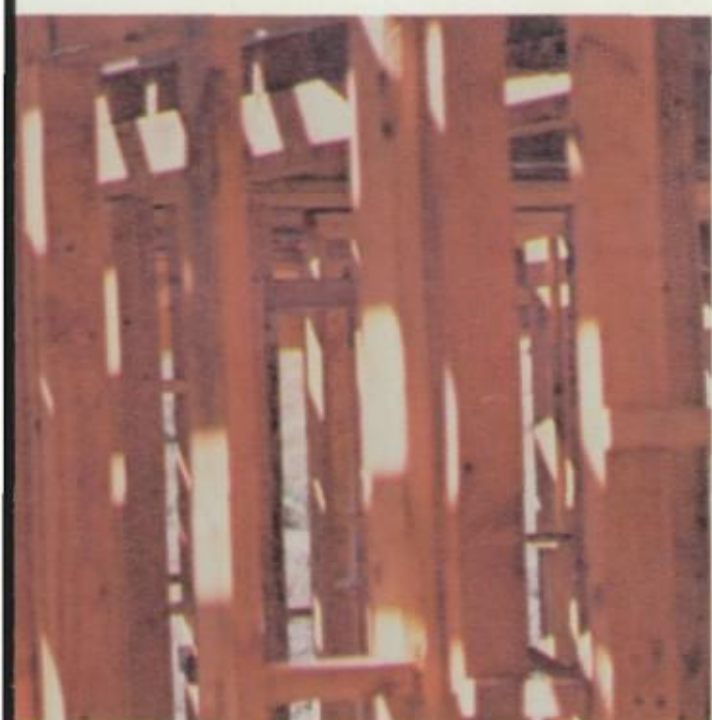

Ofelia Velazquez

*The future is built on
these precious moments*

We can come together with our friends

*Our new beginnings start tomorrow
We turn our heads and feel the sorrow*

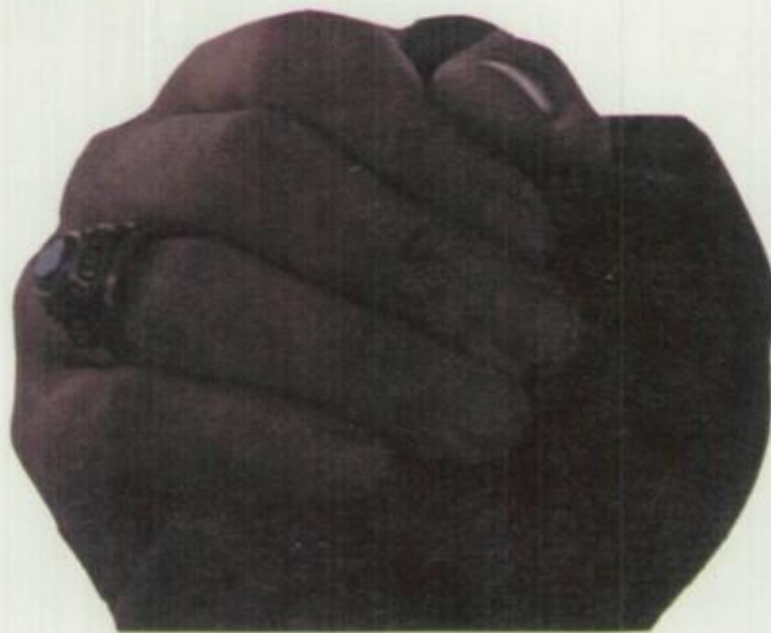

*The years sweep by, some slow, some fast
But now we view them as the past.*

*Though friends will go their separate ways
Forever in heart, their memory stays.*

Beau Henderson

long for the past

Sometimes An Illusion

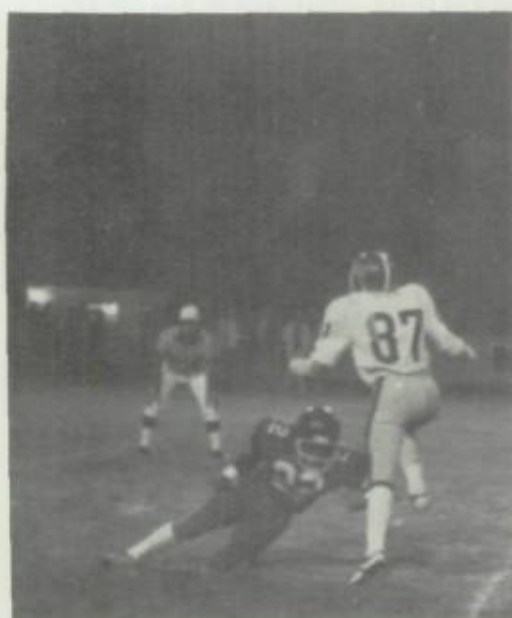

Football

High hopes marked the 1978 Varsity Football season as the team entered the San Antonio League. "The season started with a lot of enthusiasm with three wins. The rest of the season was a struggle, not because the other teams were superior, only because we couldn't capitalize on the opponent's mistakes," commented #12 Jim Mathwin.

The Braves record for the season turned out 3-5. Throughout the season injuries and sickness dissipated the 45 member squad down to 23 players. Team members felt the season really turned out successfully because of team unity. Friendship and sportsmanship sustained through this unity.

"Measure the 78-79 season in terms of wins and losses it would be a failure. Measure the season in competitiveness, determination, and individual sacrifice, and it's a success. The Braves posted victories which could not be seen on the scoreboard, but felt by those who cheered them," stated Coach Tom Cook.

Although the J.V. Football team won a mere $\frac{1}{4}$ of their games, the team effort contributed by each athlete encouraged individual growth. Coach Juan Vasquez proclaimed, "They gained valuable experience, skills, and maturity - items of great importance."

Through tackles and mud stained uniforms, the 1978-79 Frosh Football team molded into one of high potential and great depth. A 5-1 record proved the team's impressiveness. Coaches Jim Rudolph and Mike Kettle expressed confidence in each athlete, and they appreciated the effort put forth by each boy.

Although overshadowed by inconsistency, the Varsity Water Polo team proved successful in many aspects. Coach Jon Rickard took pride in "that once again Alta Loma showed it could compete aggressively with anybody, even in the San Antonio League, notorious as one of the toughest in C.I.F."

The J.V. team went into the final game of the season tied for first, but lady luck didn't shine upon them that day. "These were really a nice bunch of hard working kids," commented Coach Gary Thornhill.

They bumped, set, spiked, and won! After many hours of practice and sheer moments of tension, the girls of Varsity Volleyball reached their goal. Although the team started the season in a new league, the players arose to the situation as well as any organized and prepared team could. They succeeded with a 14-0 season and the league championship. As a result the girls bumped their way into C.I.F. where they played three spirited games. "Unity helped everyone along. Our coach made us aware that we had to work together. We just made everyone feel a part of the team -- that's what did it," commented team captain Deanna Boyette.

Outstanding plays and exciting games were not only found at the Varsity level. The J.V.'s also crowned themselves as league champs, with a fourteen win, no loss record. In all, team members and fans alike agreed that the volleyball season contained some very rewarding moments.

The Boys Cross Country team showed great perserverance when they continued to push themselves to victory despite three key losses. Although plagued with injuries, they pulled through with six hard earned wins.

Coach Rhodes comments on the boys included such words as "inspirational, hard workers, and go-getters." He also added, "Each boy has quite a future in running."

Overall, Varsity placed fourth in San Antonio League, while the J.V.'s tied for second. Frosh/Soph came shining through with a 7-1 record which entitled them to a second place finish.

Girls Tennis did exceptionally well this year. All girls gained needed experience, learned sportsmanship, and gained the most important value - getting along with others.

"The girls showed that they could play tennis with the best in the league," remarked Coach McGargee. Both coaches felt that both J.V. and Varsity performed magnificently. The team made steady improvement and consistently performed to the best of each player's ability.

Team member Colleen Rogers explained that the group worked together and improved throughout the season. "We played well in most of the games, but we proved our best in the last match," she commented.

Field Hockey

With much determination and hard work, Varsity and J.V. Field Hockey showed their skills on the field. The girls advanced toward the goal cage, compiling a record of five wins and five losses.

"Both teams did very well," remarked Coach Debbie Hibbard, "by improving throughout the season and keeping up a strong offense and defense."

Field Hockey, a sport of running and endurance, proved the girls' determination to achieve their goals. By keeping up spirit throughout the season, team members learned the true meaning of athletic competition.

Led by seniors Nan Fowler (476 points - 23.8 points per game), Deanna Boyette (290 points - 17 points per game - 8 rebounds per game), Joan Wilhelm (149 points - 7.1 points per game) and, juniors Janet Wilhelm (149 points - 7.1 points per game) and, juniors Janet Davis (343 points - 18.9 points per game - 19 rebounds per game) and tough, scrappy defensive specialist Dawn Duffy, the Braves fashioned a 20-3 1979 campaign. The polls declared them #1 in 3A C.I.F. during the last month of the season. While scoring almost 61 points per game, the Braves opponents tallied a meager 40 points per game. Hard nose defense dominated every game.

The season opened on a rough note with three losses in the first five games. Illness and C.I.F. Volleyball took its toll, but the Braves rallied to win the championship of the 3rd Annual Upland/ Alta Loma Basketball Tournament in convincing style. They posted a 13-1 San Antonio League mark for their first year in that league. A 17 game win streak preceded the Braves into C.I.F. play.

"The 3A division playoffs will reveal our strengths against the bigger schools. The goal of our players is to repeat a C.I.F. Championship, this time at the 3A level. The starting five have had excellent support the bench."

J.V.'ers Tami Towle, a six foot center, and Kristi Yeager, high scorer, joiner the varsity for the playoffs. Without dedication and team work the team would not have improved into the quality squad it became this year.

"We played well defensively all season. . . We like to get 20 points in every quarter, and have the the other team doubled by halftime. We also try to get two rebounds for every one the other team grabs," revealed Coach Mary Pollock's philosophy in a recent *Daily Report* interview with Jeff DeForrest.

This year saw the Braves Varsity move up to the 3A level and into the nine team San Antonio League. In pre-league action, the team distinguished itself by claiming 4th place in the Chino Tournament. In league action the Braves finished in 5th place.

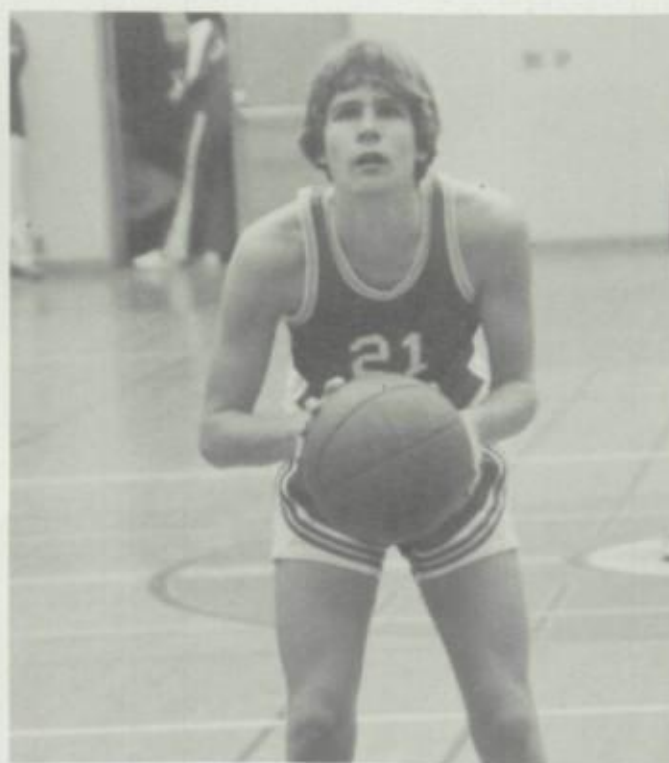

Larry Norton and Chuck Graham were selected as Pomona Valley Athlete of the Week and All-Tournament at the Chino Tourney.

Season ending blow-out of Chino and Damien displayed the true talents and strength of the team, but league losses in several one point games and in an overtime game proved to be the team's downfall. "This years team was able to handle the transition to 3A level competition well," commented Coach Jeff McCall. Further he added, "Our drive late in the season fell just one game short."

The '78-79 basketball season meant something different, yet alike, to the J.V., Soph, and Frosh teams.

To the members of the J.V. squad, the season meant great plays with climatic excitement. Composed of eleven members, the team always rendered a worthwhile game for the spectators.

With little basketball experience, players at the Soph level set out to play. Although the team did not always win, it succeeded in getting important game experience. They finished the season as an effective group, capable of gaining victory over teams who had beaten them earlier in the season.

For the Frosh, basketball meant winning. With two outstanding players in Gene Arceneaux and Danny Kuresa, the team finished their season with an excellent performance. The players dribbled down the court to score fifty-seven points to Damien's forty-two.

To all teams the season meant hard work and dedication. As Coach Joe Palicki stated, "The players worked hard and through discipline and heart, succeeded in learning the true meaning of athletic competition."

Described as a "very good" season, the '79 Soccer team placed 4th in the highly competitive San Antonio League. Outstanding players included Mike Cooke, Tom Munoz, Karim Fernandes, Tony Massagli, Jose Villegas, Carl Torres, John Briceno, and Joe Lebeau. 100% player participation helped enhance the team's spirit.

SAL, one of the strongest in Southern California, made the players challenge their opponent's weakness and play to their strengths. Co-captain Karim Fernandes stated, "spirit rose high for each game and everyone went out to win." "Practice makes perfect," echoed Coach Don Holladay.

Inspired by the aquatic antics of Mark Moe, the varsity swim team stroked their way through the San Antonio League with an overall record of 3 - 7. The Frosh - Soph team, under the direction of Jon "J.R." Rickard, also turned in a fine showing.

"This was a building year for us" commented varsity coach Tom Curley. "Mike Savko and John Leonard helped a great deal as captains of this young team."

The year was highlighted by olympic - hopeful Jon Scholl who, along with his eight school records, made it to CIF finals in the 200 and 500 freestyle events. Here he placed 5th in the 500 and 6th in the 200, despite devouring his goggles in the process. Also high on the list of achievements proved to be John Leonard's outstanding performance in diving, which captured him a 3rd place CIF medal. Along with the CIF competitors, all swimmers, through hard work and determination, made this a truly winning season.

Due to the "crummy" weather track season got off to a slow start. Still, Coach Jim Rudolph felt that the team expected to finish in the top three teams in the league. He also had hopes for good representation in the CIF-SS prelims. Team strengths included good balance in sprints and distance, with good help from the field events.

"In all," Coach Rudolph remarked, "we have a good group. They deserve a lot of credit for hanging in there under adverse conditions." As a man coaching a girls sport he further added, "I really enjoy it, though at times I have difficulty adjusting to an individual/team sport with girls, coming from a boys sport for four years." Upland, Pomona, and Claremont expected to give the gals their toughest competition.

Boys Track

Rain, Rain, Rain--would there ever be a track meet? Returning letter winners eager to display, and improve their skills included Mike Sumrall, Tim Miller, Lance Downs, Dave Edsill, and Don Abraham. Coach Al Rhodes reviewed the team's strengths and weaknesses. The pole vault, high jump and hurdles topped the list of potential achievement, while a lack of experienced sprinters held most concern.

With no apparent rain alleviation, Rhodes expressed frustration in the consequential slowing of both J.V. and Varsity team development. "It has hurt our team more than an experienced veteran team because we needed practice," Coaches Cook And Palicki concurred. A 106 to 21 loss against Upland in the season's opener illustrated the heavy toll of denied workouts. At mid-season, track members could only hope for clear skies and a chance to revenge their first loss.

After a slow beginning with rain, cold, and three losses, the Girls' Varsity swimmers came alive and devastated rival Ontario by 78 points. Varsity looked forward to a 2nd or 3rd in league, and J.V. expected to take a first.

"For a young team, consisting mainly of Sophomores and Frosh, they possess much enthusiasm and seem to be doing better as the season gets underway," commented Coach Janet Lehman. Coach Lehman seemed to be racing the stork as well as the competition. Form and endurance provided the goal for the young swimmers.

The 200 medley relay team of Mary Eagle, Renee Nicholas, Beth Anderson, and Angie Gamboa showed promise for CIF qualifying. Strong individual performances included 200 IM (Eagle), 100 Breast (Nicholas), 200 Free (Anderson), 100 Back (Gamboa), and 50 Free (S. Knauer). The longer distances of 200-500 yards provided difficulty. Upland, Claremont, and Chino expected to test the team the most.

Softball

Brave's Softball showed continual improvement as the season progressed. Coach Juan Vasquez stated that his Varsity team, "Is an ideal combination of experience and youth." Six seniors, three juniors, and five frosh made up the team.

Team strengths of hitting and defense allowed the team to make the move from 2A to 3A competition. Inexperienced and young pitching remained question marks during the early season, but the team showed improvement with each game.

All-league hopefuls included Jerilyn Mangels, Deanna Boyette and Louise Kwinn. Lisa Farrar, Joan Wilhelm, and Lisa Dittmer provided steady play.

Claremont, Garey, and Upland expected to be the Varsity's toughest tests. The J.V. worked together and proved a worthy opponent for opposing teams.

The varsity started the season without much luck. Winning and the weather failed to be on their side. This young and inexperienced team had a large turnout of 25 prospective players. Sixteen of the best athletes made the squad. Tom Munoz and Andy Aragon provided experience.

Commented Coach Gary Cronan, "This years' team is young in experience. We have some individual talent, but we haven't been able to get together as a team." Unless the second half of the season turned around, the team didn't show C.I.F. potential. "They seem to work well together," added Cronan, "they just have to gain varsity experience."

The Junior Varsity team began their season with an outstanding start. Most of last year's Frosh team returned to form an excellent team. Hard work and practice improved their talents. When questioning Coach Mike Kettle about his feelings for the team he stated, "We have a good team attitude and plenty of hustle."

Even though the weather refused to cooperate with the practices, a successful season seemed likely.

The Frosh team earned themselves early season success with excellent defense and strong pitching. If the effort continued a league championship presented a possibility.

Due to a uniform shortage, only 17 of the 35 players received the honor of representing ALHS. The team possessed a lot of drive and enthusiasm. Chris Brogles, Chris Torres, Gabe Solorio, Rob Jones, Troy Dennis, and Roy Beets, played tough defense and offense according to Coach Kevin Flaharty.

Coach Keough directed the *Sisunga* photographer to El Prado Golf Course

with, "Just keep going all the way down Euclid Ave., turn right at Pine, you can't miss it." The trek seemed like a try out-of-state, but the course proved to be a fine one.

The J.V. as well as Varsity victoriously out-clubbed Webb, Chaffey, and Chino in early season matches. Claremont and Covina expected to provide the class of competition.

Badminton headed toward a successful 1979 campaign. Strong players such as All-league and C.I.F. hopefuls 1st singles Cathy Bronder, 1st Doubles Julie Taylor and Sandy Muraska, and 2nd Doubles Connie Bader and Cheri Richards remained undefeated in early play. 2nd Singles Julie Urquiza and 3rd singles Jeannette Owen also provided tough, outstanding play.

"It has been terrific," commented Coach Harley Lovitt when asked his feelings about coaching a girls team. Further, he added, "They are learning to be intense competitors and they are working hard to be champions." He cited spirit, individual desire, and willingness to practice as reasons for their success.

Garey and Chino rated as the toughest competition. Success also followed the J.V.'s in their season as they remained undefeated in early competition.

Gymnastics

Coach Dave Wong

Under the circumstances of not enough time or experience the 1979 Girls Gymnastics team did a great job. The team had strength in both vaulting and balance beam events. Improvements came with practice for moves on the uneven bars and the floor exercise.

This year, the league changed into an all optional season. Each girl made up her own routine for each piece of apparatus. The judges then scored the gymnasts on the basis of originality, difficulty, precision and style. Although the team confronted such experienced teams as South Hills and Claremont, early season success indicated a spot among the top three.

Coach David Wong stated, "Coaching girls gymnastics is not a new experience to me. I have coached girls' teams before but at different age levels. However, I still have a lot to learn about high school girls, especially the emotion and stress level." Coach Wong called for student body support at the meets. "Gymnastics is a beautiful sport, I hope more people will come and cheer and enjoy the competition."

Although they got off to a slow start Boys' Tennis rapidly improved through the season. With returning letter winners Bill Kirker, Joe Ayala, Jeff Wilhelm, Paul Showalter, and Karim Fernandes, high hopes existed for finishing among the top three.

Pre-season expectations rated Claremont and Upland as the toughest competition. This came true as they "creamed" the Braves in the first round.

"We have a lot of raw talent accented with a weakness of not being able to function together as a unit," remarked Coach Terry Magargee, "Experience is the key that will keep us swinging. The Varsity players have had at least two years at that level."

Concentration, court attitude, and practices exemplified the efforts of the J.V. team. As Coach Mark Larson commented, "The J.V. team didn't take the sport as seriously as they should have."

Valedictorian Salutatorian

FRANCINE DUVALL - VALEDICTORIAN

"I'd like to take this opportunity to thank the faculty of Alta Loma High School for all the help and support they've given me over the past four years. Alta Loma High School has fulfilled the educational background I feel I need when attending the University of California in San Diego in the fall. I hope I will find the same guidance and support when I enter the university as I have found here."

DEANNA BOYETTE - VALEDICTORIAN

"This space is really too small to say the things I would like to tell you. This is one of the highest honors I could possibly be awarded, and there are so many people to thank for it, including teachers, friends, acquaintances but especially my parents. My years at Alta Loma will be remembered just as all of ours ... moments, not days. I think that overall my memories will be happy ones, for life should be filled with good memories. Human nature is such that it allows us to recall the

happy times and forget the sad. High school memories will soon fade. We are moving on to bigger and better things, right? I think not. What can be better than youth? As of now I am not sure what I will be doing in the years to come, but do any of us really know what life has in store for us? We can only take things as they come, for only then can we be who we truly are. I wish all of you life's joys and my blessings for a good life. Thanks again to all my friends. God bless.

MARK PETERS - SALUTATORIAN

Mark plans to attend Cal State San Bernardino, majoring in commercial design or drama.

King's Court

"Just You And Me" provided the theme for the Winter Formal held at Corona National Golf Course on Feb. 10. *Life* entertained that evening.

Unlike in previous years, voting ended in a tie between Darryl Scroggins and Bryan Proctor. Kings and princes agreed that being selected for the court was an honor.

Commented Darryl, "It's something I'll always remember even after I grow old and can't remember." Unity among the candidates made the occasion more enjoyable. "It was fun being with close friends on the court. It made my senior year better," stated Bryan.

King's Court

Left to right: Prince Jeff Morris, King Darryl Scroggins, King Bryan Proctor, Prince Paul Silva, Prince Lance Downs.

All-Sports Queen

Top to bottom, left to right: Queen Kathy Perrera, Princess Kris Queen, Princess Carole Phillips, Princess Michelle Gervais, Princess Terry Snyder, Honorary Princess Erina Ota.

October 20, 1978 arrived. The Mercedes and Porches appeared on the football field at Upland High. Inside the cars, an air of excitement prevailed as the tension built up within the five nominees. Then, the spotlight rested upon the "chosen one" - Kathy Perrera, All-Sports Queen for 1978-79.

The following night, Mt. Sac became the

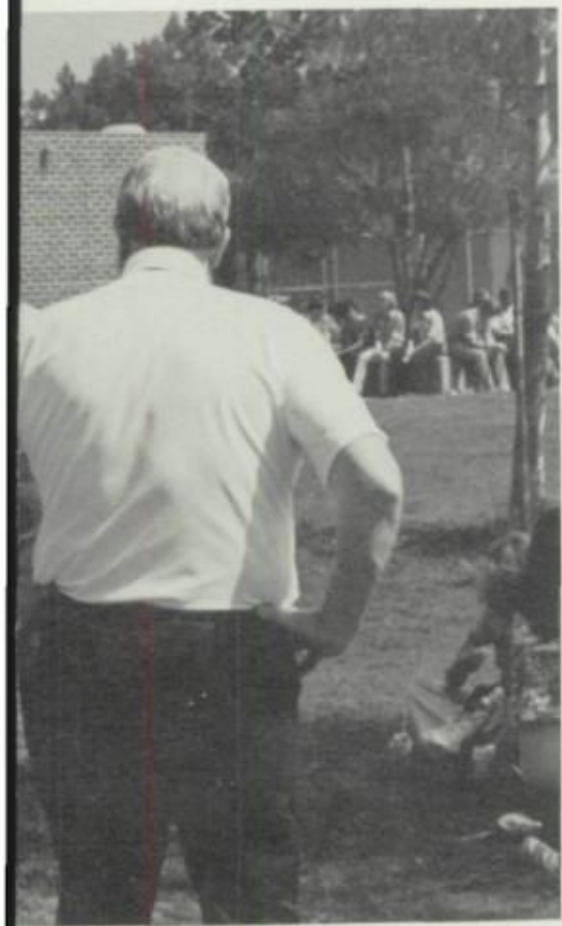

site of the traditional Homecoming Dance. With the theme "Reminiscing", couples enjoyed the magical sounds of the featured band "Life".

With the words, "Thank you for making this a memorable experience for me. It is an honor I will always cherish," Kathy expressed the feelings of all the girls chosen for the court.

Pow Wows are too few and far between; Six seems meager for teams' recognition

Of the six Pow Wows that are to be held this year, two have been held, leaving a grand total of four rallies between now and the end of school. These four will be called upon to give recognition to a great many sports, including baseball, softball, tennis, swimming, basketball, and track. Somehow it seems a bit unfair to participants in these sports to limit their time of recognition to only half of a rally, a mere fifteen minutes.

In the "good old days" rallies (or Pow Wows, as they are now called) were held before every home football game, and at other times during the year. This year went by without a Pow Wow for the most heavily publicized game of the year, the Homecoming Game on October 20.

There is no master schedule for the rallies, but the general idea is that there will be two during each of the next two seasons, winter and spring.

That would be acceptable, except that one of the purposes of the Pow Wow is supposed to be the recognition of outstanding students in academic work, as well as athletics. Since many of the academic awards are not given until late in the spring, no Pow Wow recognition can be given to these winners, as the rally time would have to be used earlier,

while sports were still in season.

Shockingly, no specific time was given at a recent Pow Wow to recognize the cross country team's participation in CIF championship competition. This seems a gross oversight in view of their contribution to the school's athletic reputation.

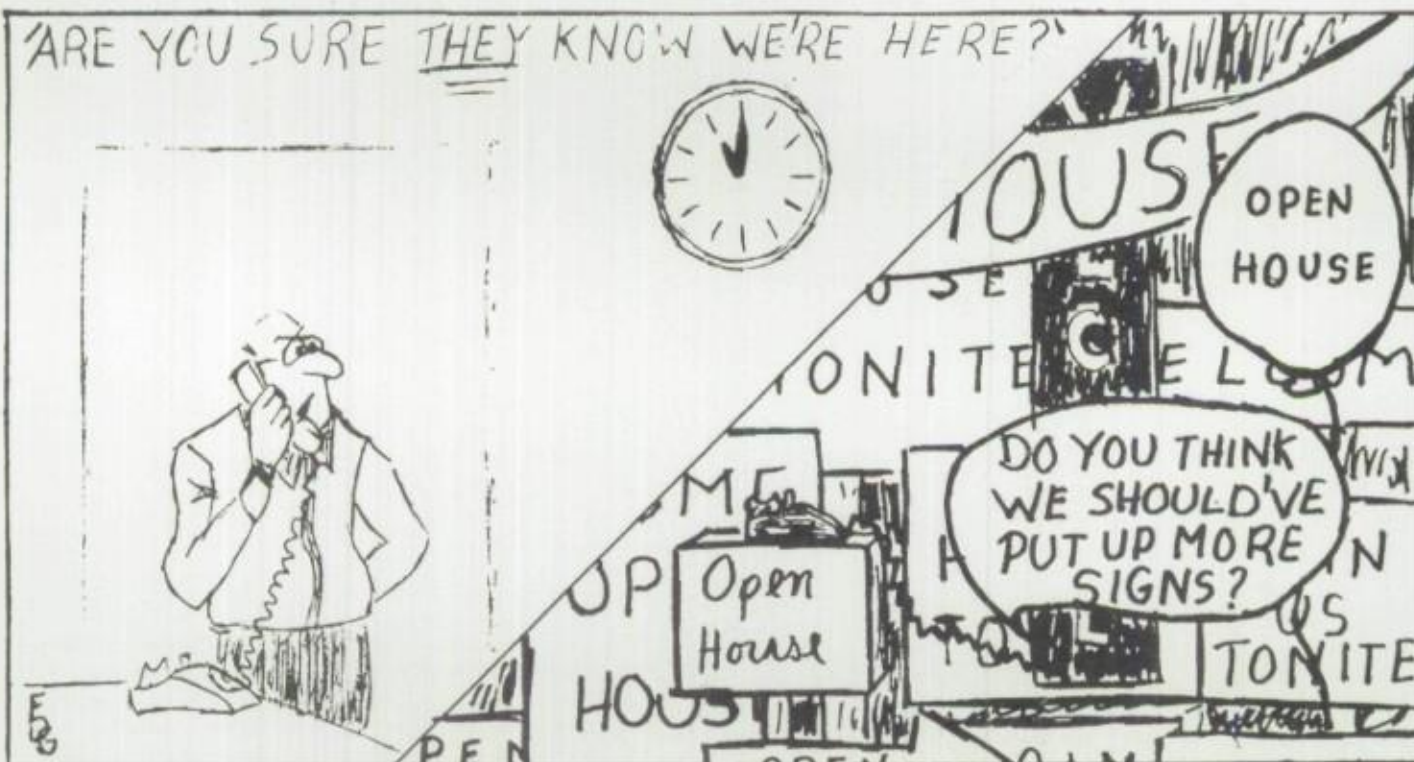

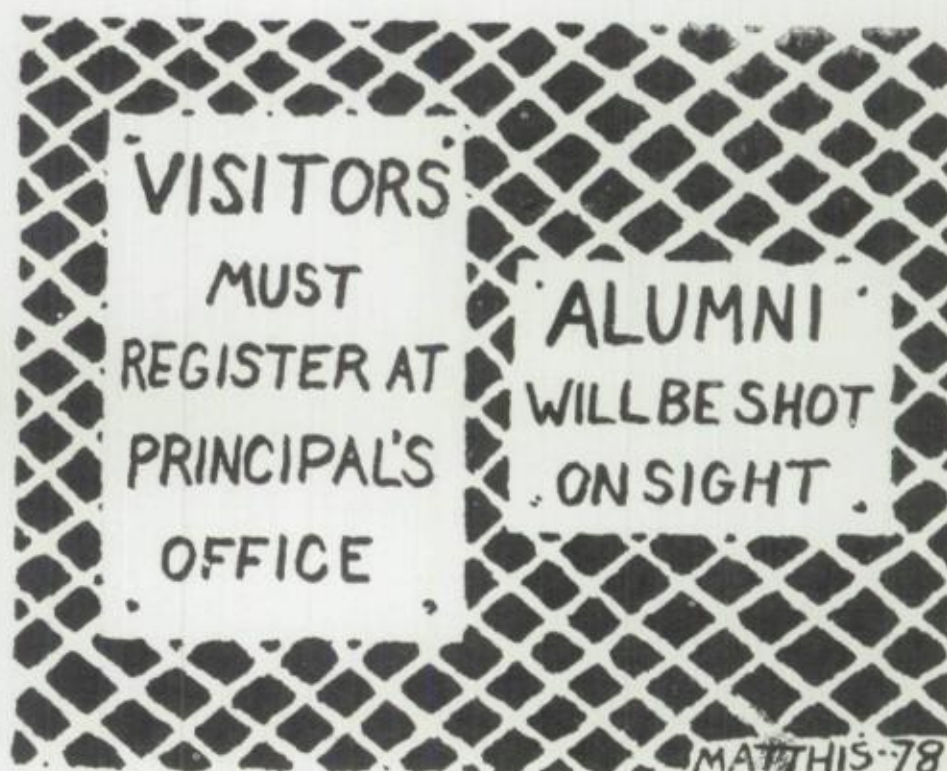

Not only are there few Pow Wows to begin with, of the two that have been scheduled so far this year, one has already been cancelled and rescheduled. Granted, it would have been difficult for the rally to take place when the gym floor was a foot closer to the ceiling than normal, but the announcements for it, especially the announcement of the new day for the rally, could have been made at a time when more of the student body was on campus: the announcement came over the speakers during sixth period, and a sizable percentage of students are off campus after fifth period.

It is most likely too late for more Pow Wows to be approved this year, but it would be possible for more to be scheduled next year.

We urge the administration to consider a plan for more frequent Pow Wows next year and adopt it on a trial basis; the results might be pleasantly surprising.

Flash! Orkan in giant egg invades television network

School offers SCUBA, but not Drivers' Training

Who would pass up a bargain saving when the price went from \$83 to \$23? No one, right? Wrong. Our parents are passing up this "sale," but not by choice. The Chaffey School District won't allow them to take advantage of this.

As everyone knows, Drivers' Training was cut from the school's curriculum after Prop 13 had passed. Even though this is "slightly" illegal, the district will not reinstate the class. (The Chaffey District is about the only one in California that will not.)

The cost of Drivers' Training is about \$83 per student. The state reimburses the schools sixty of that eighty-three. The district argues that parents of the community cannot pay the extra twenty some dollars; after all, the point of a public high school is free education. Yet instead, parents spend up to

\$100, or even more, in sending their children to a California driving school. It just doesn't seem to make much sense.

What's even more baffling, however, is the inconsistency of this policy. Starting second semester, a SCUBA diving class is being offered as a P.E. class. Only a limited number of students may take this. And guess what? Students are paying \$35 for this class. Granted this is an extra-curricular class, or rather, it isn't a required class, but is it really fair that students are allowed to pay for that, but not for a necessity?

How can the district justify vetoing Drivers' Training, but allowing SCUBA? It would

seem, at least in our eyes, that Drivers' Training is a lot more important safety and education-wise, than the recreational sport of SCUBA diving.

By now we've all realized that we're going to have to put up with tightening our belts. But let's not be foolish about it! Paying \$23 is a lot better than paying \$83, and one doesn't have to be a genius to figure that out. Putting our limited funds into good causes was one of the reasons that Prop 13 came about. There was, and probably still is, waste in school spending, so let's put our money to good use, namely financing our Drivers' Training program.

Quad disorder causes disagreement

Some say it's a mess. Others say it was the best thing for school spirit.

The day before the football game against Chino, there was a bit of rearrangement in the quad, trash cans and tables being stacked with TP hung as added color.

There were also stuffed cowboy dummies hung from the gym with a sign saying, "Hang The Cowboys." There were expressions of excitement on students' faces when they witnessed this.

Spirit rang throughout the school during the day and continued on until the game that evening.

Faculty members are upset over this added decor. They are concerned about the mess. Who will clean it? There had been a notice sent out to all clubs stating that, "Any group who TP's the campus will be responsible for clean up and/or payment of personnel to clean up the campus. No group will be given permission to TP the campus."

Now what? The best spirit raiser we have had all year had been condemned. Will students be able to promote their own spirit and air of excitement without being called vandals?

Togas appear at Alta Loma High; 'Animal House' starts new trend

AL dress-up days deserve more publicity

Have you seen anyone recently running around in a toga, hat, and sunglasses? If you have, chances are he was looking a little confused, and small wonder.

Sponsored by the Key Club, various classes, and other organizations, "dress-up days" are the latest rage in the drive for school spirit (you remember—the mystical being that is reputed to be living comfortably in Brazil).

The idea is an excellent one: give the student body a sense of unity by having all who want to do so to participate in a common activity. The only

problem is, that for one reason or another, the events are grossly under-publicized, so that only the people in charge of the day and those who have chanced to hear about it can participate.

A notice put in the bulletin for the three days preceding the event would probably suffice to inform students of the event, especially if all the teachers would read, or at least post, the daily bulletin.

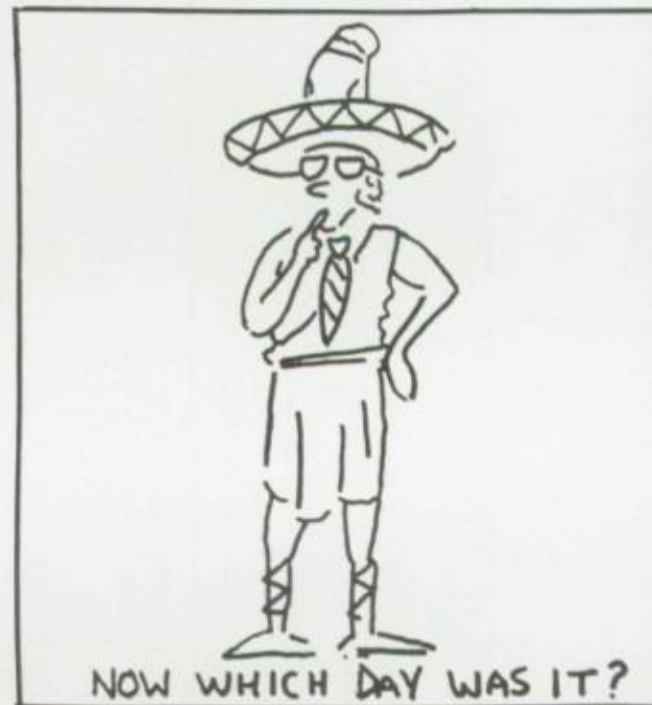

Rumor has it that the junior class is planning a Western Dress-up Day for sometime next month, but before we buy a horse we'd like to see it in an official announcement.

For four consecutive years Mark Taylor distinguished himself by buying the first *SISUNGA* sold each year. He thus established himself as our #1 reader. So we, the Yearbook Staff of '79, honor Mark for his dedication. "At first it was unintentional," stated Mark, "but after that..." Mark attended the Staff Dinner, and editors Leslie Riggs and Mary Zezulka presented him with his copy of the 1979 *SISUNGA*. This became the first time, outside of the staff, that a member of the student body recieved an advance copy.

Mrs. Suzanne Freehling, Luisa, Jeanette Freehling, Mr. Fred Freehling.

The school year 1978- 1979 marked a new experience for Luisa Fernanda Rebolledo. Luisa, a foreign exchange student, commented that she enjoyed attending Alta Loma High and she appreciated the fact that students and teachers accepted her English. While in the United States, she enjoyed dining at Sizzler, McDonalds, and Pup N Taco.

When the winter snows came down, Luisa enjoyed a new experience- skiing. She remarked that she went " Flop, flop, flop."

In June, Luisa returned to Cali, Columbia. There she was reunited with her father, who is a doctor of medicine, her mother, who is in radio communications; and, four sisters and a brother.

Before leaving, Luisa related that she planned to attend the University, and then work with handicapped people, particularly those with speech defects.

"My name is Erina Ota. I'm spending a nice year at Alta Loma High, staying with the Boyettes. My family presently is living in Germany, but we also spent six years in Japan.

There are many differences between school systems, with different advantages. I really enjoyed meeting all the students and teachers in my classes and on campus. I am grateful to have the chance to participate in athletics like volleyball and gymnastics. I also loved skiing in California.

Having fun, I also learned about customs, mentalities, habits, and language. It was so nice that I would recommend living in another country to almost everyone. I thank everyone for giving me a nice time, that I will always remember."

"I would like to thank everyone at Alta Loma High School for making this year such a fantastic one. I have always had a dream of doing something worthwhile for a group of people. This year has given me the chance.

I have always heard that your high school years are the most memorable years of your life. I feel that my high school years will be memorable, thanks to the teachers, coaches, and the fantastic student body. As A.S.B. President, I hope that I've made your year not only fun, but one to remember.

Thanks again for giving me a chance to be A.S.B. President.

Pep Squad

AL's 1978-79 Pep Squad did a wonderful job of keeping the spirit high. With a mere six rallies for the whole year, the girls hung in there and gave their all. "We enjoy cheering all the teams knowing the student body is behind us," related Jackie Ottoson.

Mrs. August, squad advisor, commented, "It has been a pleasure to work with such a cooperative and energetic group." Tami Callaway added, "...wouldn't have missed it for anything."

Despite criticism, being a member of Pep Squad remained an honor. Hard work and dedication created the satisfaction and fun.

Drill Team

Advisor Marc Steffler

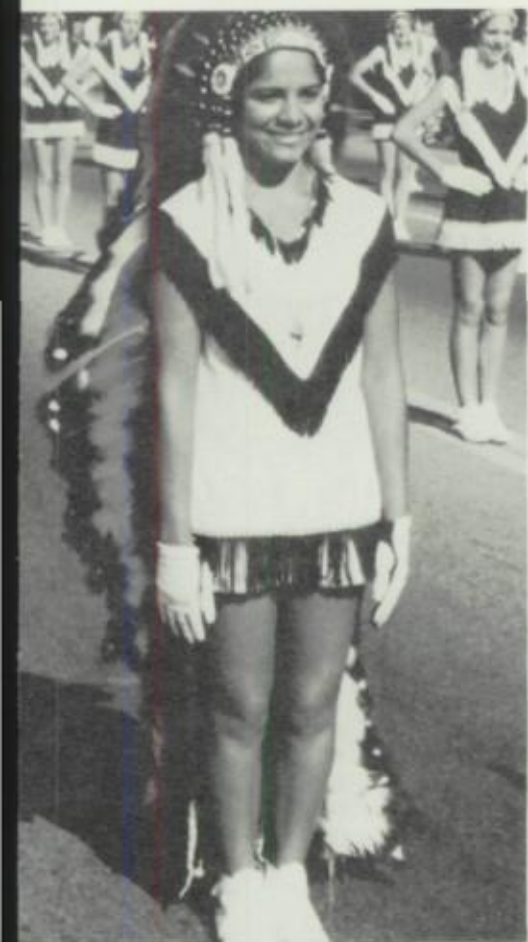

With more members than in any previous year, Drill Team boosted school spirit as never before. Their enthusiasm and excitement spread throughout campus.

The performances during football halftime not only aroused the crowd, but also provided entertainment. The team successfully participated in parades which involved competition, and usually scored high.

The crazy initiation along the Bridal path on Euclid Ave. involved the new girls, in nightgowns, doing their routines. This fun provided the highlight of the year.

Many of the girls interviewed agreed that Drill Team turned out to be more difficult than they expected. As one girl put it, "Drill Team's best point is spirit. We're undoubtedly one of the highest spirited groups on campus."

Vocal Music

"Alta Loma High School has been blessed this year with excellent choruses" stated director Don Bowers. Active described the various choruses. Christmas and Spring Concerts, and a trip to Knott's Berry Farm highlighted the activities for the ACapella Choir. Treble Choir hosted and participated in a festival which took place in the auditorium. Further Bowers added, "Much fun was had during the variety section of the Spring Concert."

After making many appearances in the community, Chamber Singers performed in San Francisco on their annual concert tour. The money for the trip came from such events as a Bike-a-Thon and a sale of cans and newspapers.

The success of clubs at A.L.H.S. depended upon the organization of the students. Finding an advisor and becoming chartered sometimes posed a problem. Each club had the opportunity to be active in Inter-Club Council. Clubs chartered this year included:

Thespian Troupe

The Thespian Troupe presented a forum for those students interested in the performing arts. It supported and participated in "Feiffers People" and "Oklahoma".

This year the Thespians, together with the Music Department, donated a \$100 Scholarship (Voc Nunez) to a senior active in both drama and music.

Fund raisers included M & M sales, football concessions, and plans for a talent show.

The 300 Bowling Club experienced difficulties due to the extended day, but many members, mostly juniors and seniors, managed to compete at Thunderbird Lanes. They had a good time, practice, and competition. Advisor Bill Vermilya insisted that his scores fluctuated because of the lane on which he rolled. *(Is that really the truth?)*

300 - Bowling Club

Key Club

Key Club once again brought us one more year of wonderful antics. Aside from TPing the school, the club brought us Toga Day, in honor of this year's madman John Bulushi, promoted an exciting car rally, and worked with 'S' Club to bring us a fine stag dance. Club members also took part in the Special Olympics for mentally retarded at Chaffey College; honest we mean you worked with the kids. Seriously this event proved to be a rewarding experience for the members, and a worthwhile cause. Well done Key Club.

Debate Club

The Debate Club began the year with great promise and enthusiasm. Unfortunately the club failed to recruit a qualified faculty advisor. It disbanded during first semester. Members included: Ross Powell, Sandy Miramontez, Mike Hurrey, Dean Montez, Kathy Farmer, Ted Stewart.

Stage Craft

Advisor John Freymueller

Although not a club, Stage Craft deserved recognition and credit for the numerous jobs that it did on campus. The class set up the rallies, worked to improve the auditorium, built sets, and worked quite ably the lighting for "Oklahoma" and the drama. "We're learning a lot each day about the stage, staging, and production," said teacher John Freymueller.

This year MEChA sixty strong, worked on extending a little joy, amusement, and friendship to their community and school. For the first time they built a haunted house for the young ones in North Town. Several successful taco sales and car washes served as money-makers and social events. Valigrams proved successful and fun, especially for those who recieved them. A club sweatshirt, complete with emblem, provided identity for members and recognition. A trip to Hollywood to see the fantastic play "Zoot Suit" provided the ultimate activity of 1979.

Hiking Club

The first Saturday, rain or shine, the Hiking Club held it's outings. Two of their most difficult hikes included a snow climb at Mt. Baldy and a hike to Anza Borrego. "I really enjoy the caliber of students that go out for the club. I also enjoy working with them. Our snow survival hike to San Geronio was most rewarding for all involved."

This club has been one of the most active and long lived clubs at AL. Advisor Balding's dedication really is evident. Try to run an eight and one-half minute mile to qualify?

When asked to comment on her year as advisor for the Tepee Times, Mrs. Beverly Brennan stated, "Publishing a newspaper has been more difficult on the ten-period day, as teachers and students were harder to locate for information." But, on the positive side Mrs. Brennan admitted that problems do have a way of working themselves out.

As the publisher of the Times, District Lithography's time schedule required the moving of the staff meeting from first period to fourth period for second semester. Several staff members could not match a schedule to the class period change. The staff gained new students for the semester, thus keeping the presses rolling.

Sisunga

The 1979 Yearbook Staff consisted of twenty-three imaginative students and one hard working advisor. Unified and dedicated described them.

Throughout the year, staff members gathered all the creativity within them, and met deadlines with layouts that expressed each one's own personality. Meeting deadlines, at times, meant cutting classes, (*Honest Boss, I know nothing. Advisor*), skipping homework, flunking tests, coming to school sick, and spending long evening hours.

To break the pressure, bear hangings, surprise birthday and reject parties brought the class together and made it fun to be a member of this special group.

Co-editor Leslie Riggs stated, "The laughter to relieve anxiety and responsibility of deadlines will be remembered." Co-editor Mary Zezulka added, "It was a lot of work, and time consuming, but I feel it was worth it." When asked to comment on the year, Advisor John Freymueller quipped, "You were supposed to have this done last week." Well. . . He added, "Each staff has it's own personality. This group was full of fun, but worked hard. We were one of the few schools to meet its December deadline when the flu bug wiped out the student body. That's dedication."
